

3M-SJ3540

Standard Grade Dual-lock - Black

Product Description

SJ3540 is a black, PP re-closable fastener with a black rubber, pressure sensitive foam adhesive and a white polyethylene film liner. The fastening side has 250 stems per square inch. This has over 5 times the tensile strength of conventional Hook and Loop fastening systems.

Product Features

High tack adhesive
Bonds well to LSE substrates
Superior fastening strength
Fastens to itself
